July, 2017

Dear Parents /Guardians:

In preparation for the 2017-18 school year, we are requesting the mobile phone numbers of our high school students so that we can contact them directly in the event of an emergency. This initiative is endorsed by the District Safety Committee and is a best practice for safety and security.

Your child will provide his/her number through a survey in Infinite Campus, our student management system, in keeping with the school district's "Going Green Initiative."

The phone numbers they share with us will be used only by the Great Neck Public Schools to communicate with students about school-related matters. The numbers will not be shared with any other organizations.

Thank you for your cooperation.

-----  
If you do not want your child to receive emergency communications on their mobile phone number you must complete and return this tear off form to the Main Office of Great Neck South High School by Friday, September 8, 2017.
