Dear Parents,

Section 9528 of the Federal No Child Left Behind Act, requires our School District to provide the names, addresses and telephone numbers of our secondary school students to military recruiters or institutions of higher education, upon their request.

However, that law also gives you the right to request that such information not be released without our first receiving written parental consent that we do so. **We have provided a survey through the Infinite Campus Parent Portal which allows you to respond to this question without returning this letter. Simply log on to the Parent Portal. You will see a link in your Inbox below School Notices titled "Military/Higher Learning Institutions Survey" as shown below. Click the link and follow directions.** Alternately, If you wish the School District to withhold releasing your child's name, address and telephone number to military recruiters and/or institutions of higher education, you may sign and return this form, where indicated and return it to the Principal's office by October 20, 2017.

Sincerely,
Dr. Christopher Gitz
Principal
