April, 2017

Dear Parents,

It's hard to believe that this academic year will soon be coming to a close. We at South High hope that your child has had a great year. We ask that all of our students continue to work hard and be at their best through to year's end.

All students enrolled in courses that do NOT culminate in a Regents examination will sit for a final exam in that subject. Some final exams will be given during class time; others will be scheduled during the two weeks following the last day of classes. Each final or Regents exam will count for 12% of the final average.

The special exam schedule and bus schedule are included in this mailing. The last day for lunch service will be Friday, June 9th. Students should bring a bag lunch after that date. **Please note that no electronic equipment or backpacks are permitted in school on testing days. Students found with unauthorized electronic devices may be removed from their exam.**

All students should clear their obligations before the last day of school. All textbooks, library books and school equipment must be returned. Students should check with their teachers to be sure that all obligations are cleared. They should be aware that all books and equipment presently in use must be returned before school ends. Lockers must be emptied by Friday, June 9th. Please have your child bring home all personal items before that date. This is also a good time for them to check in the lost and found for abandoned items they may have forgotten about. Anything left in lockers after June 9th will be discarded.

The English, Math, Science, Social Studies and World Languages Departments will be offering extra review sessions during the week. Check the enclosed sheet for times and dates. North High will also offer review sessions - please check the North High Website for those dates and times. Students whose teachers feel may be in need of additional review will be notified individually. Students who fail a Regents or a course will be notified by the Guidance Department as this becomes evident. Counselors will discuss procedures for addressing failed courses and/or arranging for summer school classes.

Please call our main office at 441-4800 if you have any questions regarding the end of year schedule. Report cards will be posted on Infinite Campus at the end of June. We will send a message via parent link to let you know when they are available. We look forward to the successful completion of this academic year for each of our students.

Sincerely,

Susan Elliott
Principal
